The Italian American Community of Akron, Summit County and NE Ohio is coming together to celebrate our traditions of faith, family, and community. This event is modeled after the traditional Italian family reunions where folks are welcome to bring food and your family traditions to celebrate and share with others. The purpose of the event is to bring the community together and to show younger generations about Italian family traditions. Activities will be outdoors if the weather is nice or move inside if not. Put this day on your family calendar and come join us!
